LOGISTICS

Storage costs

These costs are charged once Plantion has products in storage. These apply to both buyers and growers (with the exception of combined supply for Monday and Tuesday auction, Wednesday and Thursday auction).

The fee is € 6.50 per cart

Cooling costs

If products have to be stored in the cold store longer than necessary for the process, a fee of € 7.50 per cart will be charged.

Logistics Handling

Involves checking, compacting and/or preparing purchased merchandise for transport. The cost is € 11.00 per cart.

Cross-docking

In the event of Plantion's logistics services being used without merchandise being paid for through Plantion, € 10.00 per cart is charged.

Night rental

When tenants use/have to use space outside of their respective boxes, € 1.00 per unit/cart will be charged.

Dumping charges

Dumping charges are € 1.00 per packaging unit (this does not apply to A1).
